

WELCOME

To Our Desert Home

NOTES FROM THE HOST

Dear Guest,

Welcome to our El Dorado getaway on Juniper Terrace.
We're beyond excited to have you!

This place is very special to us. Obviously, you have good taste for choosing our home.

Also, Juniper Terrace is a great place to explore the desert and all that it offers.

This is a remodeled construction from the 70ies so there are bound to be a few bugs and we would love your feedback and patience if needed. Also, we appreciate your gentle care to our home.

Juniper Terrace is a great spot to discover the desert.
And isn't the neighborhood just lovely?

There are many walks right behind the house, tasty coffee shops down the hill and we're convinced that you will love them too.

In this manual, you'll find lots of useful information that we've compiled to help our guests make the most of their stay. From the instructions on how to use the appliances to recommendations for nearby restaurants and shopping areas, we've got it all covered.

We hope that you enjoy the place as much as we do.

Have a great stay!
